Join Our Goody Two-Shoes Brigade to Fight Breast Cancer

Inland Agency's **The Pink Ribbon Place** is Riverside's first—and only—breast cancer resource center. This year we proudly invite you to join our new Goody Two-Shoes brigade and fight breast cancer with a sponsorship of our “Shop to Stop Breast Cancer” annual fundraising event to support **The Pink Ribbon Place**.

*The Marriott Riverside Presents
Inland Agency's Shop to Stop Breast Cancer
March 15, 2010*

At this fabulous event, which has grown in popularity every year, shoppers are let loose on a ballroom full of new and antique items including original art pieces, gift baskets, furniture, jewelry, sports equipment, and many other wonderful things. Your sponsorship will help us cover the cost of putting on the event. Every dollar raised over and above the event cost goes directly to **The Pink Ribbon Place** to pay for mammograms for uninsured women, literally saving lives through early detection.

For each sponsorship of \$100 or more you receive a pair of handmade, decorative shoes like those shown in the photos. Each pair is unique and collectible, and attached to a ribbon and pin so they can be worn on a jacket or hung up for display.

What You Get for a Goody Two-Shoes Sponsorship

- ✓ A certificate with your name, your company's name, a gift recipient's name, or the name of someone you wish to honor.
- ✓ A pair of shoes like those shown. Our artist Nataly McBride will make a pair especially for you if you tell us the style and color you want.
- ✓ Your name, company name, or honoree's name on the printed promotional materials for the Shop to Stop Breast Cancer event.
